

It's time to get
in touch with Sonos.

The new Sonos
Controller 200 is here.

Just \$349, including Charging Cradle

Get in touch with a world of music all over the house with the award-winning Sonos Multi-Room Music System and the new Sonos Controller 200.

Instant on: Just pick it up and it's ready to play

Touch-screen: 3.5" full-color, ultra-responsive display

Dedicated buttons: Mute, Volume and Zone buttons for quick access

Long-lasting battery: And it's replaceable, too

Super-fast search: On-screen keyboard makes it easy and matches appear as you type

"...the addition of the slick new touch-screen remote...gives the luxury digital audio system a compelling leg up on the competition."
